

# 2015 MassHealth Renewals for People with Disabilities

In order to follow federal rules, MassHealth will be contacting certain MassHealth members with disabilities for renewals to make sure they still qualify for MassHealth. You may need to submit a new application to keep your health care coverage.

## Members Who Do NOT Need to Submit a New Application

You **do not** need to submit a new MassHealth application if you are under age 65 and you:

- Receive SSI benefits; or
- Have Social Security as your only source of income (this includes SSDI and RSDI); or
- Have MassHealth **and** SNAP (Food Stamps) benefits and meet certain income criteria.

Starting in **July**, if you are a person described above, MassHealth will send you a letter saying you have been renewed automatically. You do not need to contact MassHealth unless you have any household changes (ex. income, job loss, etc.) to update.

- MassHealth members over age 65 and members in a Home and Community Based Services Waiver program only need to fill out a form if they receive one in the mail.
- MassHealth CommonHealth members age 19-64 do not need to complete a renewal form at this time.

## Members Who Need to Submit a New Application

You need to submit a new MassHealth application if you or a member of your household do not receive a letter in July saying you have been renewed automatically and you are:

- A disabled child under age 19 on MassHealth Standard or CommonHealth; or
- A disabled adult under age 65 on MassHealth Standard

MassHealth will send you a letter in **August** telling you how to apply. You will have **45 days** to submit a new MassHealth application from the time you get that letter.

### HOW TO APPLY

#### ONLINE

[www.MAhealthconnector.org](http://www.MAhealthconnector.org)

#### BY PHONE

Call 800-841-2900
